Monday, February 14, 2022

Dear YMCA Child Care Families,

Unfortunately, this afternoon we were advised that one of the children in our school age program at our EW Norman Early Learning Child Care Centre tested positive for COVID-19 on a rapid antigen test. The child's last day in care was Friday 11, 2022. They are self-isolating for 5 days.

A deep cleaning and disinfecting of the child care centre is underway.

I want to reassure you that we will continue to keep you informed of any new updates. In keeping with our core values, being transparent is paramount, that is why we are informing all YMCA staff and families, and this communication will be posted on our website.

In closing, should you have further questions, please do not hesitate to contact the assistant supervisor at [laura.lafontaine@ymcaneo.ca](mailto:laura.lafontaine@ymcaneo.ca) or 705-472-5534 ext. 7612. Thank you for your continued support, stay well.

Sincerely,

*Sherry Ricci*
